Good evening,

My name is Marie Belleau and I am a member of the Law Society of Nunavut and also a Director of the Nunavut Law Foundation Board. Thank you for the invitation to speak at the launch of the “*Understanding the Nunavut Court Process Video*”. It is my pleasure to say a few words on behalf of the Nunavut Law Foundation.

To support access to justice initiatives that enhance public awareness and experience with the legal system is an important guiding principles for the work of the Foundation. The NLF is proud to be one of the financial contributors to this important project as it will no doubt have beneficial impacts for Nunavummiut who come into contact with the justice system. It is essential in informing people about what to expect which helps to make a difficult situation easier.

The Members of the NLF and I felt strongly about supporting this important initiative. We also want to encourage the positive collaboration and partnerships that enabled this and potential future projects in promoting greater awareness of the law and improving public experience with the legal system.

Congratulations on a job well done and for making a step in the direction of improving access to justice for all Nunavummiut.

Qujannamiik/Thank you.
