Nunavut Law Foundation

for Students & Youths **2018 Call for Nominations**

The Nunavut Law Foundation is a non-profit organization that receives funding from the Law Society of Nunavut (which represents all the lawyers practicing in the territory).

The Foundation for its 7th year will be **awarding students and youths in each region across Nunavut in honour of Justice Beverly Browne**, who was the first senior judge in the Nunavut Court of Justice. She demonstrated great leadership in the community and had a strong commitment and passion for working with youth.

As a member of your community, including principals, teachers, student support assistants, organizations and any member of the public that is not directly related to the student or youth, the Foundation is asking you to nominate an individual who embodies *peace, leadership, conflict resolution, or who made strong efforts to change his/her attitude and behaviour to become a role model.*

Nominations are open for **Students enrolled in grade 6 to 12 or Youths between the ages of 10 to 20 years old**. Please send a letter explaining why this individual deserves the scholarship to my attention by **Friday, November 30th, 2018**.

Once the Foundation receives all letters from the schools, organizations and general public, the Board members will review each nomination for selection. The Chairperson will then inform the selected recipients of the scholarship no later than Monday December 17th, 2018. Monetary scholarships will be given to students and youths 14 years and older; students and youths 13 years and under will receive a gift of their choice up to a maximum amount to be determined by the Board once all applications have been received.
